

# California Heat Volleyball Club

## Banner Sponsorship Form

Hello,

My name is \_\_\_\_\_ and I play on the California Heat Volleyball Club. Our team(s) are asking local businesses and individuals to sponsor banners in our "Heat House". A 20" x 30" banner, with your log/business name, individual or family name, etc. will be placed up in our facility in Camarillo (our home facility). Your banner will be seen by players and parents participating in our Club and by other parents, business owners, etc. that come to participate in activities there. Your banner will be displayed for 12 months (usually from January – December) and you will have first rights to renew before any new banners go up (if capacity is reached).

A portion of the money earned through this fund raising project will pay for our Club Volleyball Program and to pay for tournaments, etc. We would really appreciate your support.
