

California Heat Volleyball Club

Website Advertisement Form

Hello,

My name is _____ and I play on the California Heat Volleyball Club. Our team(s) are asking local businesses to place advertisements on our Girls Volleyball Club Website. These are distributed at games, tournaments and in the Heat House (our home facility). Your advertisement will reach a large number of active sports minded people.

The money earned through this fund raising project will pay for our Club Volleyball Program and to pay for tournaments. We would really appreciate your support.
