

California Heat Volleyball Club

From _____

Dear _____

Message: _____

Our volleyball players spend long and hard hours in the gym developing their various skills. We believe that this dedication will help us build a successful program for the 2009-2010 season and seasons to come.

The expense for club volleyball participation is considerable. Your pledge or donation to the benefits of the players will help offset the volleyball tournament participation fees, equipment, and festival fees. Help fulfill the goals and dreams of these young women as we prepare for an exciting season. GO HEAT!

I would very much appreciate you sponsoring for the up and coming Club Season.

All paid sponsors will receive a thank you note. Remember, your contributions may be tax deductible.

DONOR'S REPLY
